

TDK-Lambda EMEA Occupational Health and Safety, Environmental and Quality Policy

The TDK-Lambda EMEA group of companies operate an Integrated Management System compliant with ISO 9001, ISO 14001 and OHSAS 18001. Where applicable, the requirements of ISO 13485 shall also be met.

The TDK-Lambda EMEA group of companies are committed to meeting our customers' expectations in Occupational Health and Safety and Environmental Compliance, Quality, Cost, Delivery and Service by implementing globally consistent processes, innovations and improvements.

We shall:

Ensure that each employee understands the requirements and expectations of our customers and is empowered to be proactive in maintaining management systems and supporting their continual improvement.

Improve products, services, and processes to anticipate and satisfy the needs of our customers and other interested parties through the setting and review of realistic and achievable targets and objectives.

Commit to assessing and controlling risk throughout product design, production, service and administrative functions of our business using structured methods.

Continually strive to improve Health, Quality, Safety and Environmental performance, prevent injury and ill health and protect the environment by; enhancing our environmental awareness, preventing pollution, avoiding accidents and incidents and complying with legal, regulatory, corporate and other applicable requirements in conjunction with employee participation and consultation.

Innovate, maintain and continually improve management systems to ensure our work is effective and consistent with these commitments.

Be frank and open, and communicate this policy to the general public and all persons working for or on behalf of the organisation.

TDK-Lambda EMEA senior management is committed to this policy and shall periodically review it along with the associated objectives for continued suitability.

TDK-Lambda EMEA senior management shall provide the leadership, resources, and training to support this policy.
